Re: MB Docket No. 03-15
Supplement to Request for Waiver of July 1, 2005 Digital Replication Deadline
WOLF-TV, Hazleton, Pennsylvania, Facility ID No. 73375

Dear Ms. Dortch:

WOLF License Corp. ("WOLF License"), permittee of WOLF-DT, Hazleton, Pennsylvania, Facility ID No. 73375, by its attorneys, hereby supplements its request for waiver and a six month extension of the July 1, 2005 replication/maximization deadline ("Replication Deadline"). On June 27, 2005, WOLF License submitted a request for waiver of the Replication Deadline because, due to circumstances beyond its control, WOLF License had been unable to implement its full authorized facilities for WOLF-DT.

By this letter, WOLF License notifies the Federal Communications Commission ("Commission") that it has completed construction of the digital facilities authorized in its construction permit. *See* FCC File No. BMPCDT-20050106AAO. On September 6, 2005, an application for a license to cover WOLF-DT's facilities was filed with the Commission, which application was granted on October 17, 2005. *See* FCC File No. BLCDDT-20050906ACK. Accordingly, further waiver of the Replication Deadline is unnecessary.

Sincerely,

Tom W. Davidson, Esq.
